Description

The LD4H Series of lower domes are designed for use with Spectra® IV SE Horizon dome systems. The lower domes feature a 6-inch (15.24 cm) acrylic dome bubble, and may be ordered in either clear or smoked finishes.

MODELS

- LD4H-0 Smoked dome bubble
LD4H-1 Clear dome bubble

Installation

NOTE: The LD4H Series lower domes have been designed to fit with the Spectra IV SE Horizon Series dome drives only. These lower domes cannot be used with other camera systems.

To install the lower dome:

1. Hanging down from the back box is a flexible strap (the trim ring leash). There is a large keyhole-shaped opening in the end of the trim ring leash. Slide the large part of the keyhole opening over the raised retainer screw located on the inside edge of the lower dome. Tuck the end of the trim ring leash behind the raised plastic stop. Before releasing the lower dome, make sure the leash will hold it securely. Refer to Figure 1.
2. After the dome drive is installed, push the lower dome inside the back box. Tighten the two captive screws to secure the lower dome. Refer to Figure 2.

NOTE: Ensure that the lower dome is positioned to minimize the effect of the dome bubble seam on any critical viewing areas. Refer to the Important Note shipped with the Spectra IV SE Horizon dome drive.

Pelco will warrant all replacement parts and repairs for 90 days from the date of Pelco shipment. All goods requiring warranty repair shall be sent freight prepaid to Pelco, Clovis, California. Repairs made necessary by reason of misuse, alteration, normal wear, or accident are not covered under this warranty.

Pelco assumes no risk and shall be subject to no liability for damages or loss resulting from the specific use or application made of the Products. Pelco's liability for any claim, whether based on breach of contract, negligence, infringement of any rights of any party or product liability, relating to the Products shall not exceed the price paid by the Dealer to Pelco for such Products. In no event will Pelco be liable for any special, incidental or consequential damages (including loss of use, loss of profit and claims of third parties) however caused, whether by the negligence of Pelco or otherwise.

The above warranty provides the Dealer with specific legal rights. The Dealer may also have additional rights, which are subject to variation from state to state.

If a warranty repair is required, the Dealer must contact Pelco at (800) 289-9100 or (559) 292-1981 to obtain a Repair Authorization number (RA), and provide the following information:

1. Model and serial number
2. Date of shipment, P.O. number, Sales Order number, or Pelco invoice number
3. Details of the defect or problem

If there is a dispute regarding the warranty of a product which does not fall under the warranty conditions stated above, please include a written explanation with the product when returned.

Method of return shipment shall be the same or equal to the method by which the item was received by Pelco.
